Webinar: **Mechanics Liens and Stop Payment Notices**

This webinar covers:

- **The Fundamentals of Mechanics Liens and Stop Payment Notices**
- **What you must know to address these laws without jeopardizing your project**

Mechanics lien and stop payment notice claims are highly technical **and generally misunderstood**. Mastering the rules governing these claims is essential if you are to avoid them, or address those you cannot avoid.

Owners will learn:

- Who is entitled to a mechanics lien or stop payment notice
- What you must do before deciding to settle, or defend, these claims
- The first thing that Owners must do to address these claims
- How to resolve these claims without stalling your project

Contractors and Design Professionals will learn:

- How to establish and protect your stop payment notice and lien rights
- How to use these tools to get fair payment
- The steps you must take at the beginning of the project to preserve your lien rights.

► **PRESENTER: Mark Stapke**, Founding Partner, Stapke Law LLP, and General Counsel for WCCC Board, is a well-known construction and real estate trial lawyer. With over 38 years of experience in winning cases before juries and arbitrators, Mark has recovered more than \$50 million for his clients. Mark also regularly resolves cases through Alternative Dispute Resolution. His practice stresses claims-avoidance training for public and private owners, and resolution of time-related claims. Mark is an arbitrator and Judge Pro Tem for CA Superior Court, and has been selected as one of the *Top 400 Construction Lawyers in the U.S.*
